

Dual Presidency

One,steeped in Godshit
who choreographs tragic
ceremony by informing

the Almighty
is not questioned,since
none can understand,thus

what is,remains
what should be. Total-

ly marvelous scheme long
advocated by wealth,and
illuminating loss

of wife,husband,friend,lover,
left ball or right tit. My

other executive? Thorough-
ly pragmatic politician
surrounded by competents.

All godless, since that toxic shit
proves enough of a tonic for ritual
one and his fellow pious nitwits.
